

LIFEMAP
YGLT[™]

You're Gonna LOVE This

Finally, clear skin without harsh chemicals!
Designed by leading doctors, genetic scientists
and dietary researchers.

Introducing Nature's Skin Clearing Therapy

- Natural and organic and 100% safe.
- Contains the most effective, all natural "acne-active" ingredients available.
- Penetrates deep into pores to help clear acne fast.
- Provides key skin nutrients, vitamins & minerals in 30 different acne-fighting compounds.

Evidence-based, Targeted Nutrition for Ages
11 – 17 - Plus... Good Stuff for Your Body!

- Contains the equivalent of four to six servings of fruits and vegetables.
- Includes Vitamins A, B, C, D and K, along with essential minerals including calcium, phosphorus and magnesium to help build strong bones and healthy internal structures.
- Purchased separately, the vitamins, minerals, extracts and nutrients would cost more than \$250 at the retail level.
- Ingredient effectiveness validated by independent third-party research.
